

June 25, 1949.

Dr. Francis J. Ryan,
Associate Professor of Zoology,
Columbia University,
New York 27, N.Y.

Dear Francis.

Thanks very much for your letter on Zinder. On the basis of it, I've telegraphed him to come out here. I hope he'll turn out all right, if only for a year.

Congratulations on your well-deserved and long-overdue promotion.

Best regards,

Sincerely,

Joshua Lederberg
